FILTER CARTRIDGE LIFE	OPERATING SPECIFICATIONS
<ul style="list-style-type: none"> ● 12 months / 38,000 litres ● Replacement zazen Filter Cartridge (Part 507) <p>WARNING – the filter cartridge must be replaced at least once per year. Failure to replace may result in deterioration and instability of the showerhead.</p> <p>* Continued use after 2 years may cause damage to your shower head.</p> <p>Note: The Filter Cartridge life may be influenced by the quality of your source water.</p>	<ul style="list-style-type: none"> ● Rated Service Flow: 9 litres/min ● WELS Rating: 2 ● Rated Capacity: 38,000 litres (12 months) ● Operating Pressure: 20 – 110 psi (KPA 200 – 700) ● Operating temperature: 4 – 48.9° C (40 – 120° F) ● Connects to standard Australian Pipe 20mm (inside 15mm) <p>Standards: AS/NZS3662 WELS Registration: S11807</p>

* BACK FLUSH INSTRUCTIONS: In areas where there is a high level of water sediment, to improve water flow, open your showerhead and remove the filter cartridge (follow the directions for the filter replacement Step 1). Turn the filter cartridge 180° and reinsert into the showerhead in the opposite direction from which it was previously positioned. Replace the showerhead faceplate – and turn on the water until it runs clear from built up sediment that may be clogging the filter screens.

- The filter cartridge is reversible and can be used in either direction.
- The media in the cartridge is still usable for the original 38,000 litres or 1 year maximum.

REGISTER YOUR PRODUCT ONLINE (If you did not purchase from zazen Water directly).
zazen will automatically remind you when you need to replace your filter cartridge in 12 months.

LIMITED WARRANTY: zazen Water warrants to the owner of this product, for a period of 90 days from the date of purchase, that it is free from defects in material and workmanship and agrees that it will, at its option, either repair the defect or replace the defective product or part thereof at no charge to the purchaser for parts and labor.

If within 90 days from the date of purchase the product proves to be defective for any reason, return it post paid to zazen Water at the address below for repair or replacement at no charge, thank you.

This warranty does not of course apply to any product where the exterior of which has been damaged or defaced, which has been subjected to commercial usage, misuse, abnormal service or handling or which has been altered or modified in design or construction.

Enjoy your healthier showering experience and thank you for your valued support and custom.

The WaterMark Certification applies to the products performance as a shower for personal bathing and has not assessed the products ability to reduce contaminants' in the water supply.

INSTALLATION INSTRUCTIONS

PLEASE READ THE FOLLOWING INSTALLATION PRECAUTIONS AND INSTRUCTIONS CAREFULLY AND COMPLETELY, thank you.

ZAZEN HANDSET SHOWER FILTER INCLUDES:

- 1 x 5 Spray Setting Chrome Shower Head
- 1 x Filter Cartridge Part 507 (already in showerhead)
- 1 x 1.5 metre shower hose (with 2 black rubber washers)
- 1 x Universal mount (no tools required)
- 1 x Teflon tape

INSTALLING THE ZAZEN HANDSET SHOWER FILTER (SKU 506)

- STEP 1** Remove existing showerhead from the shower.
- STEP 2** Wrap the enclosed Teflon tape tightly around shower pipe threads.
- STEP 3** Screw the universal mount onto shower pipe.
- STEP 4** Tighten the mount, using a soft cloth to protect the finish.
- STEP 5** Insert black rubber washer (included) into the smaller threaded end of the shower hose and attach to the universal mount.
- STEP 6** Insert the 2nd black washer (included) into the larger threaded end of the shower hose and attach the threaded end of the showerhead handle.
- STEP 7** Hang the showerhead bracket, test the system for leaks and tighten fittings as needed.
- STEP 8** The shower filter (507) is already installed into the showerhead.

IMPORTANT NOTE: if using your existing shower bar and holder, you may need to tighten your shower handle holder (there will be a small screw) – to stop the zazen Handset dropping forward due to its increased weight.

INSTALLATION CARE – FLOW CONTROLLER: Care should be exercised during installation to ensure that the male connecting threads do not damage the flow controller.

Your zazen Handset Shower Filter is now ready for use – enjoy!

Congratulations! We know you will love your healthier shower experience...
thank you for your valued custom and support. With appreciation, the zazen Water team
